# BLUPLEXX

## HAIR TREATMENT

**0% FORMALDEHYDE**

### Illiana Bluplexx Treatment

Bluplexx is a revolutionary healing hair treatment, containing luxury ingredients to help repair and rebuild the structure of the hair. This is a highly effective treatment that straightens hair between 90 to 100% and provides a super healthy and glossy appearance. Unlike other straightening hair treatments, Bluplexx does Not contain formaldehyde but instead contains amino acids and collagen which carefully help to seal the hair from root to end.

The treatment restores the condition by penetrating the cortex layer of the hair, giving it a silky finish. Each application adds incredible shine, softness, hydration and eliminates frizz, making the hair much easier to manage.

### Ingredients

Dm Water, 2 NA EDTA, Guar Hydroxypropyltrimonium Chloride, Polyquaternium-10, Cetyl Alcohol, Cetosteryl Alcohol, Behentrimonium Chloride, Glycolic Acid, Jojoba Oil, Vitamin B5, Hydrolyzed Rice Protein, Hydrolyzed Silk Protein, Cyclopentasiloxane, Dimethicone, Phenoxythanol and Ethyl hexyl Glycerine, Fragrance.
